

Exercise 8 (April 16): Task 1

Solve the following problem by programming and **Send your programs with testing results to program06@yeah.net** before (including) April 22.

Write two static generic methods:

```
public static <T> void bulbSort (T[], Comparator<T> comp);  
public static <T> void quickSort (T[], Comparator<T> comp);
```

And test and compare their performance with Integer, Double and String of <T> in descending order .

Exercise 8 (April 16): Task 2

- ▶ Read Exercises and Quiz with answers on Chapter 8 in TextBook B and test all the related programs. (Eck's book, javanotes8, answers only on Booksite)
- ▶ Send a working log to program06@yeah.net in two weeks (before April 29), in which your starting date/time and ending date/time and total hours spent are recorded according to your real progress.
